

RFP 25MCO659

In response refer to RFP No. 25MCO659 Addendum 1

October 10, 2025

Ladies/Gentlemen,

This document contains changes to the original specification.

PAGE 9

SPECIFICATIONS:

The purpose of these lights will be to show that Midland County honors all military veterans. We would like these lights to trim out around the top of the Midland County Courthouse and to illuminate green during the evening and throughout the night. We are asking for the cost of ~~two types of lights LED C9 Green Lights and~~ LED Strip Lighting for multi-color options along the per. We feel like an LED strip will be the most efficient way to go and can go on one circuit. ~~We would use the least amount of electricity as possible.~~ Also, we will need a timer (installed in our penthouse area) so that we can control the lights.
