Kid Programs

The Artist in You: Discover Your Unique Drawing Style

Recommended for ages 10-17. Participants will be creating a winter scene of an owl sitting on the branch of a pine tree, using paint and household items.

Baby Rhythm & Rhyme

Recommended for 0-24 months. This interactive story time includes fun activities using books, songs, finger plays and movement. Developmental stations will be available to encourage interaction between parents and babies. Each child must have an accompanying adult.

***Born to Read Birthday Celebration**

Recommended for ages 1-5. An exciting program for children ages 1 to 5. Each month the library celebrates the birthdays of our young readers with a complimentary book to foster their love of reading. The celebration directly follows Toddler Tales. Registration is required:

Fine Motor Mondays

Recommended for 0-9 years. Each library will set out a variety of fun blocks and building materials for creative, self-led playtime. A great opportunity to practice sharing and cleaning up after yourself. Supplies and space will be available for two hours.

Había Una Vez

Join us for a bilingual story time where we will explore both new and classic tales accompanied by fun hands-on crafts.

LEGO® Lab

Recommended for ages 6-11. Explore your creative and industrial abilities with LEGO™ bricks in independent designs or specific challenges.

Once Upon a Time

Join us for a story time where we will explore both new and classic tales accompanied by fun hands-on crafts.

STEAM: Mystery Machine

Recommended for ages 8-13. Come to explore, expand and enrich your abilities as you tackle the monthly STEAM challenge. Using Paper Circuits and a variety of other materials, create the Mystery Machine™ with working wheels and headlights.

Toddler Tales

Recommended for ages 3-5. Join us in igniting a lifelong passion for learning in your child! Our program features activities designed to enhance literacy and cognitive development through stories, engaging rhymes, songs and energetic movements.

Valentine Crafternoon

Recommended for ages 2-17. Swing by for a sweet Valentine Make-and-Take! We'll have a simple craft set out – make one here, then take it with you.

Adult Programs

Genealogy: Off the Shelves

Join fellow genealogy enthusiasts for our monthly gathering. Explore one of the most powerful tools in modern family history research: DNA clustering. It's a great opportunity to learn, ask questions, and connect.

Intro to Investments

Discover an overview of finances and basic investment principals to consider.

Page Turners Book Club

We want to help you achieve your reading goal this year! Join the Page Turners as we discuss *All the Sinners Bled* by S.A. Cosby.

Steps in Spanish/Pasos en Español

Take your first steps in Spanish with this progressive, beginner level class. Newcomers always welcome. Includes guided lessons and friendly conversation practice.

Stories in a Snap

Recommended for ages 16+ Develop your short story writing skills during this three-week class series. Each week will build upon the last week's objectives. Don't worry if English isn't your first language—we'll discuss using translation options.

Wildfires & Whiteouts: the West Texas Balancing Act

Did you know wildfire seasons happen in the winter months? A Disaster Assessment & Recovery Specialist from Texas A&M AgriLife will discuss wildfire mitigation for landowners like defensive spacing, explaining the Wildland Urban Interface and protecting yourself and property from extreme winter events.

Words of the Heart: a Poetry & Card-Making Workshop

Explore simple poetic techniques and write your own poem to turn into a handmade keepsake card. Books of poetry will also be available to use and check-out.

All Ages Programs

"Catch Us If You Can"

The Midland Community Theatre Education Department's Thinking Cap Players present a 20-minute original production in honor of Pokémon™ Day. Join us as these misfits find friendship and honor in a world of chaos and video games.

Pokémon Day

Celebrate at the library! We'll have crafts, activities and a viewing of Detective Pikachu. Costumes encouraged! Stay after for a performance by the MCT Thinking Cap Players.

January 31 - May 9, 2026
