

Request for Proposal, 15MCO507 Construction Manager at Risk - Horseshoe Storage Building
In response refer to RFP 15MCO507 Response to Questions (2)
August 28, 2015

Gentlemen/Ladies:

The following questions have been asked according to the instructions of the RFP and are hereby answered.

1. Will one have to receive a building permit from the City of Midland. If so, one of their requirements is a flood plane?

The selected vendor will need to receive a building permit from City of Midland. The Flood Plane was done when Midland County began construction on the Pavilion in 2013.

2. Are civil plans needed for the cite (sic) plane for the City of Midland?

City of Midland may require civil plans. Midland County will reimburse, through our standard billing process, the selected vendor for any required permits.
