

Purchasing Department

Midland County, Texas

MEMORANDUM

DATE: May 15, 2015

TO: All Prospective Bidders in regard to Midland County RFP
15MCO503 – Video Visitation

FROM: Purchasing Agent

SUBJECT: Midland County RFP 15MCO503

NOTICE AND CLARIFICATION ON SITE SURVERY

NOTICE OF REQUEST

Midland County has received a request for extension of submission on the aforementioned RFP.

At this time, Midland County denies the request for extension. We do not feel that enough information has been gathered by the Prospective Parties to warrant an extension. Should circumstances change, Midland County will revisit the request, and issue an official Addendum to RFP 15MCO503 extending the date submittal date therein.

Midland County has received a request for clarification to the section on page 3 “site survey”

SITE SURVEYS:

Vendors are required to participate in a site survey meeting to discuss:

1. Installation of new cabling based on Midland County infrastructure cabling specifications at no cost to Midland County or Midland County Sheriff's Office to support the provisions of the outlined services.
2. Installation of new wiring, conduit pathways, and network circuits at no costs to Midland County or Midland County Sheriff's Office to support the provisions of the outlined services.

The language “no cost to Midland County” should be understood as;

The Site Survey and any cost incurred during the survey or en route to the location of the site survey, including but not limited to, travel, lodging, and any personal expense shall be at no cost to Midland County or Midland County Sheriff's Office.

This document serves as notification only and no Addendum will be issued to the RFP as no material changes have been made.

Thank You.

Midland County Purchasing Agent
