CARES ACT AMENDED PETITION STATEMENT

For any eviction filed before July 25, a plaintiff **must** include in its petition a statement that the case is not subject to the CARES Act.

CARES ACT: Applies to all housing programs to which VAWA applies (public housing, project-based section 8, Housing Choice Vouchers, LIHTC, etc.) as well as the rural voucher program and properties with federally-backed mortgages (HUD, Fannie Mae, and Freddie Mac).

The above mentioned Plaintiff states the following is true and correct.

This is a private eviction and is not subject to the CARES ACT signed by the President on March 27, 2020. I understand that an Eviction may not be filed if a tenant receives government housing assistance.
