

Tissue Paper Art

MATERIALS

- Canvas
- Tissue Paper
- Foam or Paint Brush
- Scissors
- Pencil
- Sharpie Markers
- Bowl with Water

DIRECTIONS

- Cut your tissue paper into small pieces, it can be a shape or completely random.
- Dip your brush in the water and dampen your canvas. If you have a large canvas work in small sections. You want it to be damp but not dripping with water.
- Place your tissue paper onto the damp canvas, then lightly brush the top of the tissue paper with water. You want just enough water to make the tissue paper damp and stick to the canvas. Cover the entire canvas with tissue paper.
- Let the canvas dry
- Remove the pieces of tissue paper and discard
- Use a pencil to draw or write a word or quote on the canvas. Then use a sharpie to go over your pencil marks to complete your canvas art.
