

Confetti Poppers

MATERIALS

- Toilet Paper Tube
- Balloon
- Scissors
- Packing or Duct Tape
- Glue
- Decorative Paper
- Confetti

DIRECTIONS

1. Knot the end of the balloon
2. Cut off the top of the round part of the balloon. You are just taking off a sliver of the balloon.
3. Open the cut part of the balloon and fit over one end of the toilet paper tube. The knotted part of the balloon should be over the center of the open tube.
4. Tape the tube, securing the balloon to the tube.
5. Using the tube, measure your decorative paper to fit around the tube and glue.
6. Once the glue is dry it is ready to use.
7. Load the tube with confetti, pull back the knotted end of the balloon and release!
