

RFP 20MCO558

In response refer to RFP No. 20MCO558 Response to Questions

August 17, 2020

Gentlemen/Ladies:

The following questions have been asked according to the instructions of the RFP and are hereby answered.

1. What are liquidated damages?

None Applicable. However, reference schedule and performance sections in the contract and bid instructions.

2. What is the Engineer's estimate for Bid Bond purposes?

The value will be based on your bid. The bid bond premium will be paid via a change order to the contract based on the actual amount you pay, which will be based on the actual amount of the winning bid – after award. Therefore, do not include "costs" for payment and performance bond premiums in your bid.

3. Bid item #1, does Preparation of R. O. W. include fence relocation, concrete driveway removal, and sign removal?

Yes, however all fencing that is within the Right-of-Way is to be removed and is not being reinstalled or relocated by this contract.

4. Bid item #7, does this include all roadway, driveways, and concrete pavement?

Yes.

5. Bid item #9, does this include all roadway, driveways, and concrete pavement base?

Yes.

6. Bid item #10, does this include all roadway, and driveways?

Yes.

7. Will the digital information be provided pre-bid to determine excavation, and embankment quantities?

No.

8. Have the utilities been notified of the project?

Utilities have been reviewed, researched, as-built and accommodated for; either by design or physical action. Please keep in mind that a partnering philosophy during construction is expected by the winning bidder to work with the County if unknown utilities are discovered. Any efforts to not damage utilities are in the contract of the winning bidder.

9. Is there a schedule on relocating the power poles?

Plans have been provided to Oncor for relocation. Oncor has not provided a schedule.
