

Origami Pencil Holder

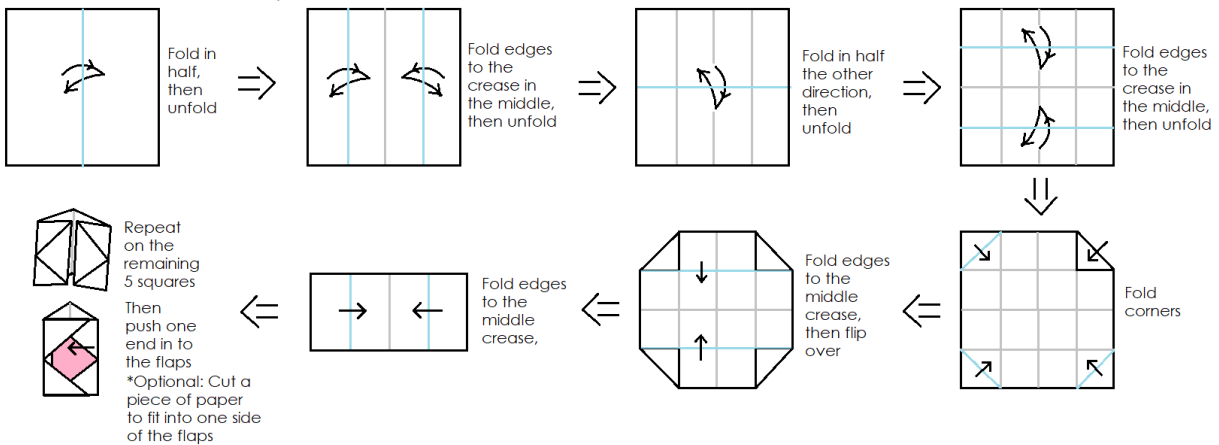

Materials Needed: 7 pieces of paper (same size), Glue and Scissors

Instructions:

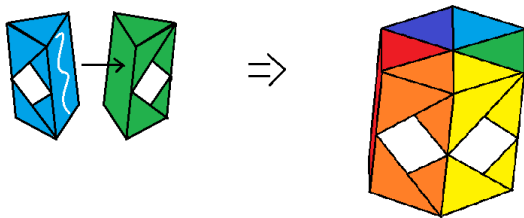

1. Cut 6 pieces of paper into squares.

2. Fold each of the 6 squares like below:

3. Glue together the solid sides of the folded triangles. All the folded triangles together should create a six sided form (a Hexagon)

4. Trace your Hexagon on another piece of paper, cut the shape and then glue to the bottom.
