

How to make a Paper Turkey

Brought to you by:

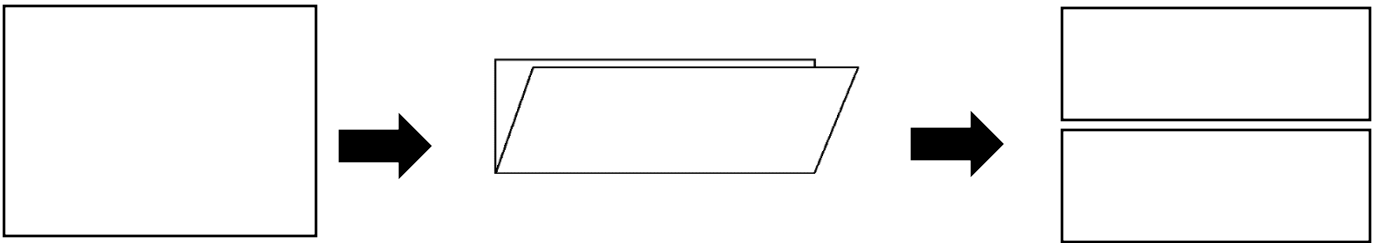

Materials:

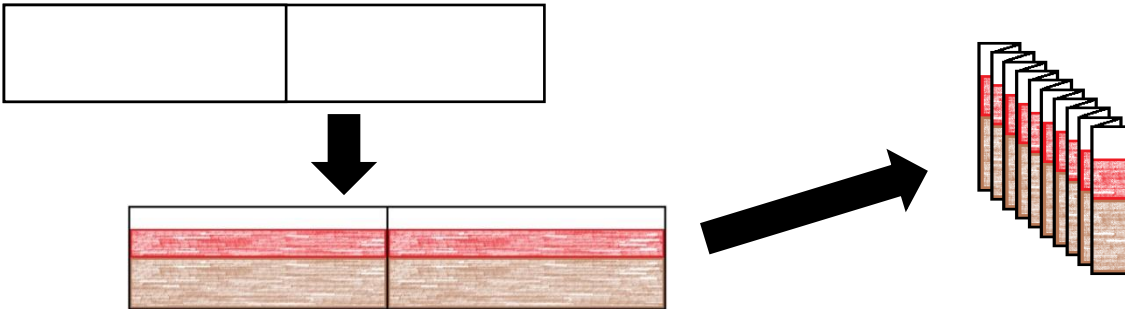

Two pieces of paper, scissors, glue, and markers/color pencils

Instructions:

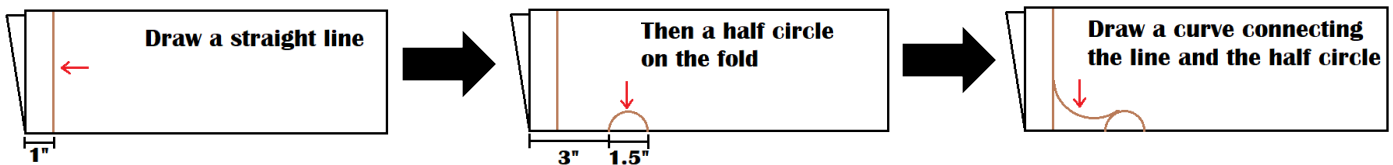

1. Fold one paper in half lengthwise (Hotdog style) and cut along the fold.

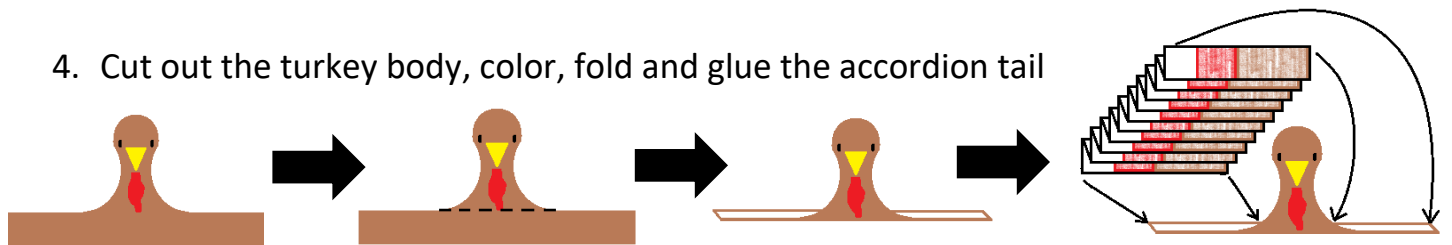

2. Glue the ends together to make one long strip, then color across the length with brown, red and any other turkey colors. Fold accordion style.

3. To make the turkey's body, fold the second paper in half (Hotdog style) and draw:

4. Cut out the turkey body, color, fold and glue the accordion tail

And you are done!
