

How to make a Paper Kite

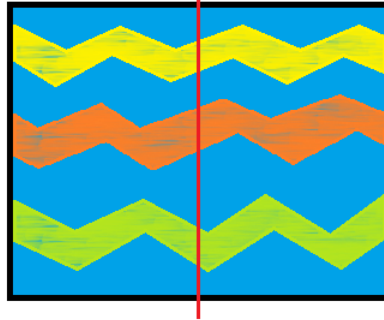

Materials: 8.5"x11" paper, pencil, ruler, tape (or stapler) and string, and markers or color pencils

Instructions:

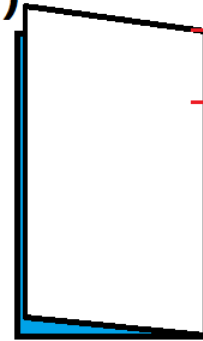

(1) Decorate your paper

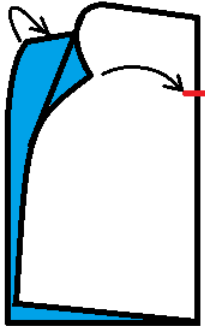

(2) Fold in half

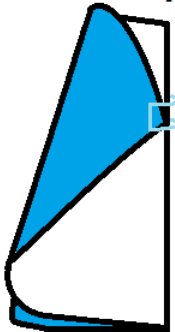

(3) Measure 2.5" and mark

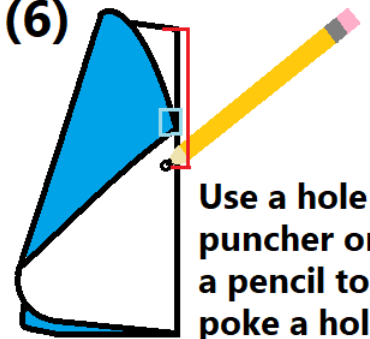

(4) Bring corners to mark

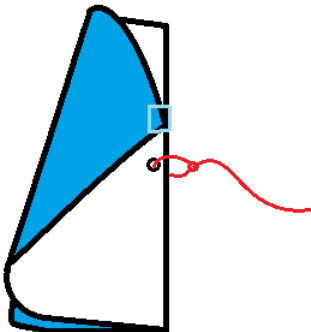

(5) Tape or staple corners in place

(6) Use a hole puncher or a pencil to poke a hole 3.5" down

(7) Tie a string through the hole...

(8) ...And take it for a flight!
