

RFP 22MCO595

In response refer to RFP No. 22MCO595 Addendum 1 September 2, 2022

Gentlemen/Ladies:

In this Addendum, we have amended the original RFP to include instructions for columns and language that asks the vendors to include a cost to provide power and water.

PAGE 9

PROJECT OBJECTIVES:

- A. Remove all asbestos containing material from the former Salvation Army Building.
 1. Abatement of Ceiling texture (popcorn) in the basement, 1st and 2nd floor
 2. Abatement of Drywall w/ tape, bed and drag texture on the 1st floor
 3. Abatement of 12 inch flooring tile with mastic on the 1st and 2nd floor
 4. Abatement of pipe insulation throughout the building
 5. Abatement of pipe fitting insulation throughout the building
 6. Abatement of CMU surfacing throughout the interior perimeter walls
