

RFP 22MCO597

**In response refer to RFP No. 22MCO597 Addendum 1
September 27, 2022**

Gentlemen/Ladies:

In this Addendum, we have added information that has been settled after the RFP was released.

SCOPE OF SERVICE:

As of Monday September 26, 2022, Midland County has entered into an agreement with Ector County to allow for free cold storage temporarily. Therefore, at this time, all bodies being picked up will need to be taken to Ector County for storage. Another recent development is that Midland County is in the process of obtaining our own cold storage. This will not be complete for several months.
