

RFP 23MCO611

In response refer to RFP NO. 23MCO611 Addendum 1 and Response to Questions July 26, 2023

Gentlemen/Ladies:

This addendum is being issued to include the revised cover sheet.

The following questions have been asked according to the instructions of the bid and are hereby answered:

1. I noticed the Architectural plans and the Landscaping Plans included extra sheets in the set that are not listed on the cover sheet index. Just wanted to verify the link with the set I pulled from the Midland County website is still the correct information.
