

RFP 23MCO614

In response refer to RFP NO. 23MCO614 Addendum 1

August 24, 2023

Gentlemen/Ladies:

This addendum is being issued to revisions made to the SPECIFICATIONS on page 9 of the original RFP.

SPECIFICATIONS:

The location of the two (2) parking lots are shown in ATTACHMENT A-DRAWINGS.

Vendor will be responsible for providing all supplies, equipment and labor to re-pave these lots with an asphalt paving. This project is to include removal of current pavement and hauling away all debris. [Vendor will also be required to remove parking blocks in LOT A and replace with blue plastic parking blocks.](#) Vendor is responsible for all permitting and for meeting City of Midland codes regarding paving of parking lots. Vendor will also be responsible for re-stripping the parking spaces.
