In response refer to BID No. 23MCO618 Response to Questions December 11, 2023

Gentlemen/Ladies:

This document contains questions submitted by prospective bidders and responses to those questions.

1. What are the steps needed to take in order to get copies of past vendor quotes/responses for the services listed in the proposal?

You are welcome to email me at pur103@co.midland.tx.us to request that information and those documents will be emailed back to you or you may come pick up a USB thumb drive containing those documents from the Purchasing Office.

2. How will the RFP be awarded? Will it be to multiple vendors? If it is to a single vendor, what will be taken into consideration and or calculated?

This RFP could be awarded to one vendor or to multiple vendors, depending on what represents the best value for Midland County. Midland County will make that decision during the evaluation phase after the responses have been opened. All criteria used for this determination is on page 10 of the RFP.
