

RFP 24MCO626

In response refer to RFP NO. 24MCO626 Response to Questions

April 19, 2024

Gentlemen/Ladies:

The following questions have been asked according to the instructions of the bid and are hereby answered:

1. Is the 234 acre parcel (see attached photo on page 2 of this document) the one referenced by Commissioner Somers?

Please refer to this RFP only. This RFP is to get pricing/qualifications from various companies in order to hire one to conduct the feasibility study of a golf course. The Commissioner's Court decided not to designate any specific parcel of land for this RFP to procure a feasibility study of a golf course.
2. Will the jail and water treatment facility be built on this parcel? If yes, how many acres will be used for those projects, and do you have plans for the location of the jail and water treatment plant you can share?

Please refer to this RFP only. This RFP is to get pricing/qualifications from various companies in order to hire one to conduct the feasibility study of a golf course. The Commissioner's Court decided not to designate any specific parcel of land for this RFP to procure a feasibility study of a golf course.
3. Are there any other parcels over 200 acres owned or identified by the county which may be suitable for the golf course?

Please refer to this RFP only. This RFP is to get pricing/qualifications from various companies in order to hire one to conduct the feasibility study of a golf course. The Commissioner's Court decided not to designate any specific parcel of land for this RFP to procure a feasibility study of a golf course.
