

## **RFP 24MCO631**

### **In response refer to RFP NO. 24MCO631 Response to Questions July 2, 2024**

Gentlemen/Ladies:

The following questions have been asked according to the instructions of the bid and are hereby answered:

1. On page 10, Introduction (Executive Summary) Tab 5: Cost it ask for a proposed price. Do you want what's on page 11 or do you want an estimate total cost? If you want a total estimated cost, how would I do that without a specific scope of work?

**Page 11 is the Pricing Response Form that needs to be completed and turned in as the "cost". This is not for 1 project, but rather as an on-going service agreement. The Pricing Response Form will cover cost from any scope of work that arises.**
