

## **RFP 24MCO638**

**In response refer to RFP No. 24MCO638 Response to Questions  
September 26, 2024**

Ladies/Gentlemen,

This document contains questions submitted by prospective bidders and responses to those questions.

1. Would you be able to please provide more information about the funding programs and areas (e.g., parks and recreations, renewable energy, wastewater, etc) that are of interest to the County?

**Midland County is looking for a grant writer that can perform for all different types of grants including parks and recreations, roads, IT related equipment, water, etc.**

2. In the proposal, may a bidder specify which areas (e.g., renewable energy only) it will provide grant writing services?

**Again, because Midland County is looking for a grant writer to be able to assist with all different types of grants, we are not looking to hire multiple grant writers for multiple purposes.**
